Chief, IEG
Chief, PSG

— I have heard from several quarters that the special order of Cienfuegos briefing boards which your Groups prepared and sent to Langley the other night were most effective and timely.

25X1

— [redacted] was the user of the boards -- on Capitol Hill -- and he apparently told both the Senators he was briefing and officials at Langley that the boards and the intelligence work they represented were the commendable work of N P I — 25X1

[redacted]

Declass Review by NIMA/DOD
